Celebrating Canada's Sesquicentennial

Life at the Stable will be VERY busy this year with all the Special Events happening. We have made a list of "Special Dates" in the side column to help with your planning. We've had a super response to our block for Canada's 150th Trans-Canada Block Party being hosted by Northcott. The pattern is free to physically pick-up. We do have kits and accessories available as well at the store for purchase.

We've been busy creating kits made from Northcott's Sesquicentennial Fabrics. Check out the back page of the Newsletter. If you can't make it to the Stable, we will be glad to ship. Just give us a call.

The Class List that we are providing in paper form has all the basic information. We do use our Social media and Emails for "getting the information" on the Street. Please "like" us on FaceBook or sign up to receive our Emails.
